Welcome to **NORTHSIDE CHURCH OF CHRIST**

March 12, 2017

Healing Waters
John 5:1-15

Why is it frustrating to wait for something?

We like to be in control of our situation. Giving up control is hard. Jesus offers his help to us but many times our response is, "No thank you. I don't need your help."
What part of your life do you need to give control over to GOD?

What is holding you back?

We are just like the Pharisees when we make church traditions and rules more important than serving, loving and forgiving others. What rules/traditions are you making more important than GOD's Word?

We all need hope and Jesus is the only one who can give hope.
