Description: We are currently searching for a candidate to fill the position of youth and family minister with us here at Northside in Bonham. We are looking for a biblically grounded man who can easily relate and connect to teenagers and lead them into a better relationship with God. This man will be a support and help to our families in their quest to make Jesus the center of their lives. The ideal candidate will be able to teach classes for our teenagers on Sunday and Wednesday in addition to organizing family and youth activities such as camps, retreats, bible studies, devotionals, etc. In working together with our Elders and Pulpit Minister the ideal candidate will be able to clearly communicate goals, concerns, and God's word to our young people. Establishing and nurturing long term relationships with families will be essential as together we work to grow and mature our young people. Ideally the candidate should also be ready to preach when needed and lead in the worship services. Being able to use Word, PowerPoint, Publisher, and any other relevant computer program is a must.

If you wish to be considered for this position contact us at the information below. Send us a cover letter and resume and we will get in contact with you as soon as possible. If you have any recorded lessons, please send us links or mp4s of those as well.
