Welcome to **NORTHSIDE CHURCH OF CHRIST**

January 6th, 2019

This month our Sunday mornings will be focused on names in the Bible. There are certain names given to individuals, followers of Christ, and the Lord's Church. There are meanings behind each of these names. Just as there is a story and meaning behind each of our own names, God had a purpose for the names we find in the Bible. Knowing the names God has given us will help us to understand our relationship to Him, each other, and the world.

Six Reasons Why Names are Important in the Bible

1. A biblical name could record some aspects of a person's birth.
2. Biblical names sometimes expressed the parents' reaction to the birth of their child.
3. Biblical names were sometimes used to secure the solidarity of family ties.
4. Biblical names could be used to communicate God's message.
5. Biblical names were also used to establish affiliation with God.
6. Biblical names are given to establish authority over another, or to indicate a new beginning or new direction in a person's life.

"A name is to be chosen rather than abundant riches; favor is better than even silver and gold" Proverbs 22:1
