Welcome to **NORTHSIDE CHURCH OF CHRIST** March 17th, 2019

In the 18-45 year old class. We recently began studying through a book by brother Leroy Brownlow titled "The Christian's Everyday Problems". It is a book I haven't read in over a decade.

As I began re-reading it, I remembered the practical advice offered throughout the book, directing us back to God and His word, for answers to all of life's problems.

We all attend different classes, but I think the lessons are beneficial to everyone. So throughout the next few months we will have some sermons based on the topics covered in the book. This is not a series since other sermons will be sprinkled throughout our Sunday mornings, but I wanted you to know in advance some of the topics we will be covering in the future.

Here are the topics covered in the book:

- | | |
|--------------------------------|--------------------------------------|
| The Problem of Abundant Living | The Problem of Employment |
| The Problem of Discernment | The Problem of Individual Leadership |
| The Problem of Immaturity | The Problem of Contrary Winds |
| The Problem of Worry | The Problem of Self-Imprisonment |
| The Problem of enemies | The Problem of Self-Discovery |
| The Problem of Friends | The Problem of Self-Improvement |
| The Problem of Time | |

Job 14:1 states "*Man that is born of a woman is of few days, and full of trouble*". We all face different problems, and we face them daily. My prayer is that these lessons will help you draw closer to God and help you overcome the vicissitudes of life. *Allan*
