THE CHRISTIAN & VOTING

Years ago I came across an article by Wayne Jackson titled, "Voting Option or Obligation". Every four years I revisit that article as election time roles around. It is frustrating to watch loved ones behaving in such an un-Christ like manner as they condemn each other for their political choices. There is contention not only about who to vote for, but whether or not one should vote at all.

This is not a new discussion, for centuries Christians have debated whether Christians should be involved in politics.

One important aspect on this subject is how we treat each other.

Romans 14:3 *The one who eats is not to regard with contempt the one who does not eat, and the one who does not eat is not to judge the one who eats, for God has accepted him.*

Romans 14:10 *But you, why do you judge your brother? Or you again, why do you regard your brother with contempt? For we will all stand before the judgment seat of God.*

Regardless of your personal conviction on whether to vote or not, the reality is that voting is not the **most** effective way to influence the course of our country. Here are three effective ways YOU can change our country for the better DAILY!

P _____ 1 Timothy 2:1-4 *First of all, then, I urge that entreaties and prayers, petitions and thanksgivings, be made on behalf of all men, 2 for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity. 3 This is good and acceptable in the sight of God our Savior, 4 who desires all men to be saved and to come to the knowledge of the truth.*

P _____ 1 John 3:10 *By this the children of God and the children of the devil are obvious: anyone who does not practice righteousness is not of God, nor the one who does not love his brother.*

P _____ Matthew 13:33 *He spoke another parable to them, "The kingdom of heaven is like leaven, which a woman took and hid in three pecks of flour until it was all leavened."*
