The Noble Mind

Though our means may be limited, we are wealthy beyond measure. And assured of the greater treasures of life, we have a "noble" (Fair) mind!

Thought Question: Why do you think the Bereans were more noble-minded than the Thessalonians? It seems to have been generally true of the synagogue, but why?

This evening:
The Law of the Gentile

Were the Gentiles under the law of God? If so, how was it communicated to them? Were they simply left to their own devices?
