A Beautiful Righteousness

“God is perfectly just, but God is love.”

How can this be reconciled in light of man’s sin?

This evening:  
Calvinism: Limited Atonement  
“God, before the beginning of time, predetermined that certain people, yet to be created, would be saved and all others would be condemned/lost without any possibility of salvation.”  
We will see that this is a direct contradiction to what the Bible teaches. All have the capacity to love and serve God and be saved! We’ll prove it!
