**When Fear is Sin**

What is “fear”? There are times when fear is a mark of righteousness. There are other times when fear is sinful and must be conquered.

This evening: God’s “Abiding Principle”

There are times when we must remain within that which God has strictly and clearly prescribed, and there are times when we may go beyond. How do we know when to do what? What is required by the “abiding” principle and what is not?
